## "THEY DRANK OF THAT ROCK."

- 2. O smitten Rock of God, to thee in thirst and weariness we come; revive us and refresh, Rock of the wilderness!
  Oh, drink, ye sons of men, never to thirst again!
- 3. O smitten Rock, which follows us where'er our steps may be, we bid thee welcome, and sit down in joy each day by thee!
  Oh, drink, ye sons of men, never to thirst again!
- 4. Filled with thy love, the love of God, to us the waters flow;filled with the grace of Christ our Lord, they come, and never go.Oh, drink, ye sons of men, never to thirst again!
- 5. Rock of eternity, thy stream shall flow and never cease, throughout the everlasting day, beyond the wilderness!

  Oh, drink, ye sons of men, never to thirst again!
